Bourns® Model CDWBS16-PLC01-6 TVS Diode Array to be Discontinued

In accordance with our ongoing product lifecycle management procedure, Bourns has identified the [Model CDWBS16-PLC01-6](#) TVS Diode Array to be transferred to an End of Product Life status. A lack of sales volume and diminishing demand necessitates this action.

Bourns is discontinuing the Model CDWBS16-PLC01-6 with an effective date of January 31, 2017. We regret that replacement products are not offered at this time. Please contact the Bourns team of [Field Application Engineers](#) to review alternative solutions that will meet the application requirements.

Customers must notify Bourns in writing within 30 days of receipt of this notification if they consider the discontinued product to be “sole sourced” by Bourns. In such cases, Bourns will work with customers to negotiate an appropriate end-of-life purchase for the discontinued products. Products purchased during this End of Product Life transition period will be covered by Bourns’ standard warranty. Last Time Buy orders for these products will be considered non-cancellable and non-returnable.

Obsolete Part Number
CDWBS16-PLC01-6

Please plan for the following deadlines:

Last time buy date: January 31, 2017

Last time ship date: July 31, 2017

Should you have any questions or need additional information, please feel free to contact [Customer Service/Inside Sales](#).
