For future designs requiring a Vital Signs Sensors, please consider the production-released AS7026GG PPG and ECG sensor module. For more information regarding this device, please contact your local ams field sales representative, distributor or at <https://www.ams.com/tmg4903>

We apologize for any inconvenience this may cause and hope that one of our other devices will fit into your application. Our application team will be pleased to support you in evaluating available options.

Kind regards

A handwritten signature in blue ink that reads 'R. Rogy'.

Reinhard Rogy
Senior Manager Operations
Division Advanced Opto Sensors
